1 drives. They are coming from everywhere.

2 Q How do you know they are coming from
3 everywhere?

4 A They are noted as coming from the voter
5 participation center. The center for voter
6 information. We have gotten some from league of women
7 voters. We have gotten some from the Pennsylvania
8 state Republican party, the Democratic party, the
9 Trump campaign.

10 I don't know that I have actually,
11 specifically, seen any from the Biden campaign at this
12 point. But all of those organizations have been
13 sending applications for voter registration and/or
14 mail-in or absentee ballots. Some of them
15 overlapping, two and three and four times.

16 Q Have you notified the Department of State
17 about any of those issues?

18 A We complain every election. However, they
19 can't stop it. It is already in law that those
20 organizations are permitted to do so.

21 Q So with respect to the upcoming general
22 election, does Lawrence County plan to use any drop
23 boxes?

24 A At this point in time there are no plans
25 for any drop boxes within the county.
